

TO: AMLTWP

You guys planned my wedding from Vancouver while I was in L.A.

I showed up 3 day prior to “the big day” and everything was in order.....even my bills! I didn't have to pay anything nor worry about anything. Thank you.

I will come visit soon. When you're in L.A. and I am NOT on set working on a show.....visit me.

Take care,

(Anonymous –actress in Los Angeles)
