

Hi Christina,

April 17th 2008

Thank you for everything you did for our wedding. (crap, I`m getting choked up!) I had no stress whatsoever on my wedding day. I was totally calm knowing that everything was in your hands. If anything went wrong, I had/have no idea! Your hard hard hard work is so appreciated. The décor was beautiful and exactly what I saw in my head, the vendors were so superbly organized and everything was so coordinated.

It was such a pleasure working with you, I will miss it. I will encourage any of my friends getting married to hire you as their wedding planner. You have a knack for organization. During the time that we worked together, I truly felt like a friend and not just a client.

I will send you pictures and write a nice letter for you within the next couple of weeks. It`s on my new list of things to do as a newlywed ☺

We`ll have to meet for Starbucks so I can pick up anything you have. (My box on wheels and champagne glasses I particular) Name a date, location and time and I`ll be there.

Talk to you soon,
Marie
