

Dear Christina,

Dec 19th 2009

Thank you, Thank you, Thank you!!!!!!!!!!!!!! OMG. I can't say "Thank you" enough. When I hired you I really had no idea why I needed you except that you were the nicest most experienced Wedding Planners that we met. Oh, did I tell you that we met with LOTS!

You planned our wedding of 350 guests and 12 in the Wedding Party in under 6 weeks. Miracle. Christina we felt like we were the ONLY clients you had to deal with but then after when we ask you, you tell us that you had 5 other clients at the time with back to back events.

Our Wedding day was Beautiful. From the minute I woke up and got ready to the second I walked down the aisle....everything was perfect.

See you at our anniversary, as our GUEST.
